This is our fourth Echo Ladies Retreat and we are happy your have decided to join us.

Those of us on the committee have loved getting together and just enjoying the beauty of Echo Lake Bible Camp. We love meeting all the new ladies that come each time and setting time apart just to share our hearts with each other...

We hope that whether you come for the first time or the fourth time, that you will share laughter, a few tears, some hugs and just well deserved girl time.

God Bless you this year as you travel to and from...in all you comings and goings ... whether there is fifty or four of us we know it will be a special weekend.

Echo Ladies Retreat is held at Echo Lake Bible Camp in the valley near Fort Qu'Appelle.

The committee this year is

Jewell Vanstone
Sheila Sims
Danica Ennis
